

A digital dashboard interface for a delivery service. On the left, a delivery person in a blue uniform and helmet is riding a blue scooter. In the center, there's a smartphone displaying the Amazon logo and a delivery icon. To the right of the phone, another delivery person stands next to a blue scooter, holding a smartphone and a red location pin. Below the phone, the word "Dashboard" is written in large, bold, black letters. Underneath "Dashboard" are four buttons: "Quantity", "Revenue", "Products", and "Overview".
